

Something Big and Brand New – Our Summer Fun Series at the Club

There are some great events coming up this summer at Green Hill. This summer we have started planning Friday nights at the club in grand “resort” style. Sometimes the best events are a combination of two events that work out just perfectly for members. We’re calling the line-up our “Summer Fun Series”. Here is what we have planned for Friday nights:

- 1) **Friday Night Happy Hours 4 pm to 7pm** -- To start our weekends off right, there will be Happy Hour from 4 p.m. to 7 p.m. each and every Friday night this summer. During the Happy Hour there will be some excellent live entertainment, and bar food and drink specials. Planned acoustic entertainment is: Paul Lewis (Paul-Lewis.com, formerly of Y Not?!), Kim Cameron (www.kimcameronmusic.com). Paul and Kim are Realize Records Recording Artists, Phil Kominski of the Lloyd Dobler Effect Band (www.lloyddoblereffect.com), and Alex and Shiloh to name a few – all top notch talent.
- 2) **Friday Night Youth Programs 4pm to 9pm** -- For our members with children they will be able to come out to the club and find organized activities for the children each Friday night this summer from 4 p.m. to 9 p.m.. Why are the youth programs so important? Well, in brief, you could come out and enjoy dinner with your kids, and then your children can go enjoy the youth program of the evening, while you enjoy the evening playing nine holes or listening to music with friends at the club.

The idea here is that families and their guests can come out and enjoy the evening and there will be entertainment for all ages. We asked ourselves, “Why shouldn’t we have resort-like activities right here at Green Hill?” The Summer Fun Series is just the beginning.

Make Green Hill your Friday night destination with other members and guests. Bring the kids.... don’t worry about getting a baby-sitter. Come out and start your weekend off right from 4 p.m. to 9 p.m. each and every Friday night between June 4th and August 27th.
