Women's 18 - Hole Golf News

Congratulations to Carol Narrup! She is our 2010 Most Improved Player. Way to go Carol. Congratulations also to Jane Wade! She is the 2010 Most Improved 9 Hole Player. Way to go Jane.

Exciting news! We will be having a Team in 2011. Missy will be calling on golfers to participate so please try to be willing to help out in our endeavor to get a team up and running again. We have sat out two years and feel that we now have enough interested players to field a team. Missy will need 8 warm bodies for every match. These matches are sponsored and organized by The Women's Peninsula Golf Association of which we are a member club. This is a wonderful and fun way to meet other players, play different courses and hone your competitive playing skills. A day of golf, fellowship and food!

Hard to believe that the holiday season is upon us. Hope all have put a golf item, to improve your game of course, on their wish list and that you haven't been naughty this year.

Please do not forget about the wonderful and entertaining Christmas Lunch that the 9 hole ladies always so graciously host for us each year. Please call Donna (410-749-5119 ext. 115) to make your reservation for December 7. Too much fun! Also bring your wrapped gift with you. For questions please call Barbara Schaeffer at 410 543-4379.

Also if you were to receive an award this year and didn't make it to the Awards Banquet please make arrangements with Barbara Schaeffer. She has them in safe keeping.

Please enjoy your family and friends this holiday season and please remember those that are serving our country here and abroad.

Happy Holidays!

Women's 9-Hole Golf News...

Start the holiday season in festive style at the annual *Women's Golf Christmas Party* on Tuesday, December 7th. The party is for 9 and 18-hole golfers alike with a luncheon followed by Chinese auction starting at noon, but come earlier for your favorite beverage. Bring a wrapped gift (around \$15), for the "*always a riot*" pondering and swiping of presents. Call Donna to make your reservation, today (410-749-5119 ext. 115).

The *Awards Night* dinner on Friday, November 5, was a truly pleasant evening. It was great to feel the camaraderie at the club, and to see at least twelve of our 9-holers come out to receive their awards or cheer for those who did. Thanks to Bev Himes and Brenda Young for taking care of the prizes and trophy engraving. And, thanks to the staff, especially our pro, Mike Callender, for a fine presentation. Announced that night, the well-kept secret of our *most-improved golfer* for 2010... ta da... Jane Wade!!! Jane was on the course frequently this year, earning her way to this victory! Congratulations to her and all of this year's winners. It really has been a wonderful year at Green Hill.

Wishing everyone a blessed holiday season...good health and good cheer.

Barb Schaeffer, *reporting for the 9-hole group*

President's Corner

Season's greetings everyone! I hope you and your families had a wonderful Thanksgiving and are now looking forward to a fun and safe holiday season.

Lot's going on at Green Hill this month.

I hope you will be able to join us at the cocktail reception on December 14th. It will be nice to welcome back former members and meet some new members as well. I must say, I am very pleased with how well this membership drive has gone. Thank you for your support!

The very next evening we will hold our Annual Membership Meeting. We will be electing several new Board Members at this meeting. In the next few days you will receive both the recommendations from the Nominating Committee and a proxy. You may use the proxy to vote if you are unable to attend the meeting. As I said, details on all of that to follow. If you have any questions or would like to discuss anything about the process or nominees, please contact me, any other Board Member, or our General Manager.

I will take a few minutes at the beginning of the meeting to review the year, but mostly I want to talk about the future. I am excited about it and want to share that enthusiasm. I've also asked Dave Riley to prepare a few remarks and provide a brief review of the Club's finances. And we will of course save enough time to hear your feedback, suggestions and take your questions.

On behalf of the entire Board, I want to thank each of you for your support over this past year. Without the support and participation of each of you, we wouldn't have this wonderful fellowship and grand facility to enjoy.

I hope to see you at the reception for new members on the 14th and at the Annual Meeting on the 15th.

Sincerely,

**Gordon Gladden
President**
